

A portrait of an elderly woman with short, wavy white hair and bangs. She is smiling broadly, showing her teeth. She is wearing a vibrant red traditional Chinese garment with a high collar and wide sleeves. The collar and cuffs are decorated with intricate black fabric featuring colorful floral and peacock embroidery. She is holding a dark, circular object, possibly a fan or a piece of fabric, in front of her. The background is softly blurred, showing a window with light streaming in and some white furniture.
